# My queen Lily

by [MiaQc](#)

## Summary

A dark Alternate Universe. Sigma has dominated the world and he's the king. A new prisoner, among the rebellious humans, has arrived. A woman of great beauty and Sigma wants her as his queen.

- A translation of [Ma reine Lily](#) by [MiaQc](#)

Shh, shhhhh, everything's fine.

Don't be afraid of me, my beautiful one.

I know you're terrified.

Any *rebellious* human would be in my presence.

But you don't have to worry.

I'm not going to hurt you.

On the contrary.

\*\*\*

Ah, you're so beautiful.

The most beautiful human woman I've seen in my life.

And my life has been long.

More than two hundred years.

Yes, my sweet, I'm old.

A relic among the Replolds.

And yet, look at me!

More powerful than ever.

I am *invincible!*

\*\*\*

Oh, are you crying?

Please don't cry.

It makes me want to shed synthetic tears.

You understand?

Don't cry, don't struggle.

Don't be afraid of me.

To the *rebellious* humanity's remnants, I am The Conqueror, The Destroyer, The Mavericks' Master.

I am Lord Maverick.

But for you, my love, my future queen.

I will always be Sigma.

*Your* Sigma.

Now, my little light, let's get to know each other.

I changed my physical strength and dexterity parameters.

I'll be able to explore your whole body without hurting you.

Ah! My divine queen.

You don't need those ugly clothes.

Let me rip them off for you.

\*\*\*

There.

No, no, don't scream.

Don't scream, my love.

Now, which part will I touch first?

Your beautiful face, your delicate neck, your cute breasts?

Help me choose, my beautiful one.

Now that I think about it, I don't know your name.

And I have a feeling you wouldn't want to tell me.

I'll figure it out sooner or later.

\*\*\*

I've decided. I'll start with your breasts.

My hands are big, I'll cover them well.

Oh, my queen, why are you screaming like that?

Have I hurt you?

I was sure that my parameters were well balanced.

"No?" Excellent, excellent.

I'll rub them gently now.

Oh, you're still screaming.

It's very unpleasant.

Will I have to put a ball gag on you, my sweet?

I'll have no choice if you keep yelling like that.

What? "*Don't touch me?*" HA HA HA HA HA!

Oh, what a good joke, my queen!

I can touch you as much as I want.

And you too, you can touch me back.

Although right now you can't because you're tied up.

Ah, you keep saying the same thing. "*Don't touch me.*"

In that case, I'll get a ball gag and put it on you.

You need to calm down, to relax, my little light.

After all, I'm not going to hurt you.

I'll give you *all my love*.

\*\*\*

I'm back.

Now the gag... and *there*.

Ah, this silence, it's so pleasant.

Now, where were we... *Lily?*

That is your name, isn't it, Lily?

One of my prisoners told me.

He didn't want *to be tortured* anymore.

The fool!

Until he tells me the locations of the rebel bases, he will suffer.

\*\*\*

Oh! I love the feel of your breasts on my hands.

I'll pinch your nipples too.

That's it.

Again...

And again...

Oh? Are you moaning through the gag? That's very good, my sweet.

You are feeling pleasure.

I can synthesize the pleasure of the flesh's effect in my brain, but it's not the same thing.

The same thing as *when humans have sex*.

Why rebel against me?

I have conquered the earth, I am its ruler.

My slaves are happy.

These humans who serve me, so why this *unnecessary rebellion*?

Ah, there are things I will never understand.

\*\*\*

Now that I've done your breasts, I'm bringing my hands down lower.

Much lower.

Oh, my beautiful Lily, here is your flower and your pearl.

My hands are shaking.

I'll gently squeeze your pearl.

Like this.

And I will prepare your flower, your pussy for my entry.

Yes. It will be wonderful, my queen.

You struggle.

It doesn't matter.

My fingers will give you pleasure.

And maybe I'll moan too.

I haven't made a sound of this nature since I started touching you.

It confuses me.

\*\*\*

Yes, Lily, your pussy is getting wet from the inside.

I'm going to insert a finger in.

Ve...ry slow...ly.

Ohhhh~, I just moaned!

Moan with pleasure.

And your pussy squeezes my finger so tight.

This feeling. It... *It arouses me.*

I'm going to take it out slowly and penetrate you again.

I'll do it again.

And again.

And... I just moaned another time.

You too, for that matter.

That's wonderful!

You will cum for me, my divine queen, my Lily.

Yes, you will *cum* for me!

\*\*\*

You came. Ohhhh~, Lily, you came!

My finger is covered in your juices.

This wonderful feeling. Is it lust?

I want to put *my penis inside you*, my Lily.

What? You look surprised.

Yes, my sweet, I have a dick.

It's covered with an artificial skin.

I can make it warm, if you want.

Incidentally, I hope my hands aren't too cold.

I had activated the artificial heat before I touched your body.

Wait, my Lily, I'll show you my penis.

\*\*\*

Here it is. Impressive, isn't it?

Don't worry about it. It's big, but it'll fit in your pussy.

Let's begin, my little light.

I'm going to push my dick in on the count of three.

Gently.

One.

Two.

Three.

\*\*\*

I moan often.

Pleasure fills my body.

My cock is tight inside you, my beautiful Lily.

I vibrate it so that you cum again.

My fingers can vibrate too.

Then I'm going to get my dick out and get it back in.

Penetrate you until I ejaculate my artificial sperm.

Then we'll be officially together, my queen.

\*\*\*

It's done, my queen.

My penis made its way to your womb and I ejaculated directly into it.

I had an orgasm while doing this.

*It was, ohhhh~, divine.*

\*\*\*

You don't struggle anymore, my lovely.

You only moaned with pleasure.

Perfect.

I'll be able to untie you and take you to your room.

Then I'll watch you sleep while I run my fingers through your hair.

My divine queen.

I am *your Sigma*.

You are *my Lily*.

For all eternity.

**Note: This Lily isn't the same as the Lily character in "I am a Barrier".**
